OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Port St. George, 23rd Sept. 1891.

No.

From

W. J. de Saubich Esq. M.D.

THE SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Port St. George,

To

Rotacammund.
The Chief Secretary to Government.
Public Department.

SIR,

I have the honor to represent that it is not only desirable, but very necessary, that the duties of the two Medical Officers appointed to Rotacammund should be distinctly defined.

2. Since 1889 the Medical duties here have been divided in a somewhat haphazard manner, by the Medical Officers themselves. For example, the duties of Consulting Physician to the Lawrence Asylum, have been at one time by the Medical Officer appointed to Rotacammund for two years at another by the Officer appointed for only six months. This is not conducive to the interests of the Institution and the well being of the Staff and inmates.

3. I would recommend that it is more advisable that the Officer appointed to Rotacammund for two years should also be

Asylum; on similar grounds. The same
Officer should also have the
Medical charge of Bartholomew's
Hospital. He is best judge of the
Medical and sanitary requirements of
both these Institutions.

4. I presume the appointment of
a Medical Officer for six months in the
year was made. His services should
be available for the Government
during the season, and the increased
number of visitors which occurs annually
from May to October.

5. I would therefore recommend that the
Medical duties at the Station should
be apportioned as far as possible from
private practice.

The Medical Officer appointed for two years.

Charge of the North District; that is all
that part of Cotacacumna which lies
north of the stream and Lake.

Charge of the Neilgherry District, Santh
Bartholomew's Hospital and Lawrence
Asylum.

The Medical Officer appointed for six months

Charge of the South District, Subjail
and Police.

6. I consider the designation of the two
Medical Officers, also as

and I propose that the Officer appointed
for two years, should be styled the "Civil
Surgeon Cotacacumna" and that the Officer
appointed for six months annually should
be styled the "Additional Medical Officer
Cotacacumna."

7. I am also of opinion that it is only
right also that these Medical Officers
should reside within the limits of their
respective charges. Experience has
proved that this is necessary to prevent
confusion, misunderstanding and even
serious delay in cases of emergency.

I have the honor to be
Sir,
Your Most Obedt. Servant
