Madras Meteorological Office,
22^d October 1891, No. 750.

From

Miss E. Isis Pogson, F. R. Met. Soc.,
Meteorological Reporter to the Government of Madras.

To

The Chief Secretary to Government
Fort St George, Madras.

Sir,

I have the honor to forward herewith a letter, in original N^o 2835 dated 31st August 1891 with enclosures received from the ~~Sanitary Department~~ Government Police office.

For the purpose of establishing a station is sought from him to have the sanction of Government & enable for the use of traces made at the Government Res.

As this office is now, many of only 2 clerks and 2 peons, without even a machine it is quite impossible to have the covers made by them. Hitherto they were made and printed at the Lawrence & Co. Press, but the Meteorological Reporter to the Government of India now ~~has~~ printing charges, stating that these should be met from the Provincial Revenue, and Rs 25-0-0 was accordingly sanctioned by the Madras Government in G. O. N^o 242, dated 29th May 1891 for such charges.

Under these circumstances, I have to ~~ask~~ the favor of an allotment from the Provincial Revenue for similar expenses, of the same ~~kind~~ cannot be accorded as asked for in paragraph.

I have the honor to be

Sir,

Yours most obedient servant

E. Isis Pogson.

Meteorological Reporter to
Government of Madras.
