Read file of reports showing the number of passports granted to pilgrims proceeding to Arabia during the season ending 30th September 1890.

ORDER—dated 3rd February 1891, No. 97, Public.

Recorded.

2. There was a marked decrease in the number of passports issued during the season ending 30th September 1890 as compared with previous years. The total is less than in any year since 1885 and the issues were, with the exception of one passport in Kurnool, confined to the two districts of Malabar and Madras.

* G.O., No. 147, Public, dated 24th February 1890, on letter from the Government of India, Home Department, No. 1-31, dated 8th February 1890.

3. The absence of any issues in South Canara is attributed by the District Magistrate partly to the causes noticed in paragraph 1 of G.O., dated 25th January 1887, No. 119, viz., the general poverty of the Muhammadans and the fact that nearly all those who are able to undertake the pilgrimage embark from Bombay and take out passports there, and more particularly to the circulation of the notification * regarding the unsettled and famine-stricken condition of the Hedjaz, published on page 142 of the *Fort St. George Gazette* (Part I) of the 25th February 1890. To the latter cause are also ascribed the decreases in Malabar and Madras.

4. The numbers of pilgrims belonging to the different taluks of Malabar district in the season under review compare as follows with those for the previous year:—

	1889.	1890.
Ponani ..	..	..
Ernad ..	37	66
Wálawaná ..	49	56
Calicut ..	39	25
Chirakal ..	85	3
	15	..

The figures for 1890 include 5 females in Ponani and 4 in Ernad taluk. Of the 150 pilgrims enumerated above, 55 returned to their homes, 41 died, 31 were still in Arabia at the end of the season, 6 did not go to Mecca, and no information regarding the remainder is forthcoming.

5. The District Magistrate of Malabar reports that inquiries made by Tahsildars show that the pilgrims found the passports of service.

74 — 16-2-91

6. The Government regrets to notice the excessive delay that has occurred in the submission of the majority of the returns. With the exception of those from the Protector of Emigrants, the Commissioner of Police, the British Consular Agent, Pondicherry and Karikal, and the District Magistrate of Kurnool, all the reports were received after the 10th October, the date prescribed in G.O., dated 4th August 1884, No. 1718. Those from Anantapur and Chingleput were received in the middle of December 1890, and that from North Arcot reached Government only on the 18th January 1891 after the issue of two reminders. Three quarterly statements, as well as an annual report, have been received (the latter on the 15th December) from the District Magistrate of Malabar. The submission of the quarterly statements was unnecessary.

7. It is observed that, in submitting blank returns, several officers have adopted the letter form instead of utilizing post-cards.
