Vance. P. L. Vance

Occupation. ~~Teacher 2nd~~
grade, Govt. Preso

Pay — Rs. 55/-

Service. 8 years.

Debits - Rs: 1250/-

Result of appeal to court.

Relieved of Rs: 330/- but
appeal dismissed as to
Rs: 920/.

Recommendⁿ of Supt.: For favorable consideration.

Remarks. The man now owes about 1000/. which at half pay would take him something over three years to clear. He has to support eleven people and can hardly be expected to do that on half pay. Result probably further debt and a second appeal to the Court.

This man, who is the cause of
the money does not appear
to be out by the rules in his
Schedule - he named Collins
more, and I am sure he
has been accommodated pretty
fully with his signature and
the first two are alleged to have
in some instances appropriated
the whole of the money received.
~~At present the case is in the hands of the~~
~~indivisible and the case is in the hands of the~~
~~indivisible and the case is in the hands of the~~

The two has not received a
clear discharge from the Court.
He might be submitted to be
on this occasion let it be the
warning that if he takes the

The man seems to have been
borrowing money and it seems
to me that some of the money

Cause of Insolvency.

I beg leave most respectfully to submit for the consideration of this Honorable Court that my Insolvency is to be attributed to unforeseen and unavoidable circumstances caused by misfortunes which followed each other in rapid succession. In the Year 1883, within 10 Months of my entering Government Service I had the misfortune to lose my first wife, after a protracted illness, and the expenses I had to meet on that occasion were very heavy. Immediately after this followed the death of one of my children, and subsequently of another; 6 Months after this followed the death of one of my aged aunts, and afterwards of another, both of whom were my dependents. To add to my difficulties myself and the members of my family were in succession laid on bed. All these and unavoidable circumstances plunged me into difficulties and I became thus involved as I was unable to meet the demands of my several Creditors from time to time, one and all of them sued me in the Madras Court of Small Causes and obtained Decrees in their favor and put them in force by attaching my salary, thus depriving me of a moiety of my earnings and plunging me deeper into difficulties. The attachment on my salary has been in force from June 1886, when my salary was only Rs. 40 and the amount paid in court on this account up to date is Rupees 14 4- but another of my creditors having recently obtained a Decree is about to enforce by arrest my person. This will result in the loss of my appointment and my large family deprived of the means of support I have therefore no other alternative than to apply to the court for the Relief of Debtors in India.
