FORT ST. GEORGE,
Pension Office,
13th June 1891.

Circular No. 7.

From

COLONEL S. LEIGH HUNT,
SUPERINTENDENT OF PENSIONS,

To

SIR,

With reference to His Excellency Sir Frederick Roberts' Scheme for the Employment of Native Military Pensioners in civil capacities, I have the honor to enclose a Nominal Roll of candidates for employment on the 31st March 1891, and in addition to the men enumerated in this Roll, there are many young, active, able-bodied men of good character seeking employment, men who have been lately pensioned from the recently disbanded Regiments and who are scattered throughout the Presidency.

2. In the above-mentioned Nominal Roll the stations at which these candidates reside have been taken alphabetically, and any application for the services of any particular Pensioner should be made direct to "The Officer in charge of Pensioners" (here enter the name of the station under which the pensioner's name appears).

3. In making application for the services of Pensioners, it would save much subsequent correspondence and delay, if the following particulars were communicated in the first instance:—

- The exact nature of the employment offered and of the duties to be performed.
- The salary offered, and whether any prospect of an increase on promotion.
- The educational and physical qualifications required in a candidate.
- Whether a man of any particular caste would be preferred.
- Whether travelling expenses would be provided when the place where employment be offered is at some distance from the Pensioner's Pension station.

4. In the event of the services of Pensioners being required for posts of special trust and responsibility, application may be made direct to the Superintendent of Pensions, Fort St. George, in whose office is maintained from month to month a General Register of candidates for employment in every station in the Madras Presidency and Burmah.

5. By the last Return, dated 16th December 1890, the number of Native Military Pensioners employed in civil capacities on 30th September 1890, is shown as 3,306, and that number is steadily increasing. No further proof is necessary of the general estimation in which the services of these men is held by Employers generally, Official and non-Official, public and private.

6. The subjoined list will show the great variety of employments that have been successfully taken up by Native Military Pensioners of the Madras Army:—

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From Brigadier-General H. P. PEARSON, c.b., Adjutant-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 8th August 1891, No. 1962-N.A. (Native Army—Pensioners).

I have the honour, by desire of the Commander-in-Chief, to forward, for the information of Government, letters noted in the margin, from the Superintendent of Pensions, together with a report regarding the employment of pensioned soldiers of the Madras Army in civil capacities for the half-year ending 31st March 1891, and to say that His Excellency considers the report a satisfactory one.

2. As regards paragraph 10 of the Superintendent's report, Sir James Dormer recognizes the benefits to be derived by pensioners from the large field open to them in Burma, and provided that some guarantee could be taken that none but *bona fide* applicants are granted passages.

3. I am to request that the report now submitted may be printed and circulated in the Public Department.

His Excellency proposes to send a copy to the Madras Press.

ENCLOSURES.

From Colonel S. LEIGH HUNT, Superintendent of Pensions, to the Adjutant-General, Madras Army, dated Fort St. George, 14th July 1891, No. 1818.

I have the honour to forward, for the information of His Excellency the Commander-in-Chief, a report * and return * regarding the employment, in civil capacities, of pensioners of the Madras Native Army.

* For the half-year ending 31st March 1891.

REPORT by Colonel S. LEIGH HUNT, Superintendent of Pensions, on the employment of Pensioners of the Madras Native Army in Civil capacities, agreeably to the scheme promulgated by His Excellency Sir Frederick Roberts, Bart., G.C.B., G.C.I.E., V.C., late Commander-in-Chief, Madras Army, dated Fort St. George, 14th July 1891.

The report, dated 16th December 1890, after the scheme had been in work for 5 years and 9 months, showed 2,619 pensioners as remaining in employment on the 30th September 1890, under the new conditions.

2. Between September 1890 and March 1891, a period of six months, employment has been found for 779 pensioners, which, added to the 2,619 employed pensioners alluded to in the preceding paragraph, gives a total of 3,398 pensioners.

3. Of the above number (3,398), 425 are reported as having voluntarily resigned employment, 87 as having been thrown out on reduction, 30 dismissed for negligence of duty, disobedience of orders, &c., and 25 died, leaving thus on the 31st March 1891 a total number of 2,831 pensioners employed under the new conditions.

4. The scheme has now been on trial for six years and a quarter and the steady increase in the number of men employed testifies to the continued appreciation of the public towards this source of obtaining labour.

5. Of the 687 pensioners who remained in employment on the 30th September 1890—*vide* last report—which employment they had found for themselves prior to the introduction of the new conditions, only 637 pensioners remained in employment on the 31st March 1891, showing thus a decrease of 50 pensioners since last report, and which number is accounted for as follows:—

Voluntarily resigned	..	..	..	..	..	..	..	..	..	40
Thrown out on reduction	..	..	..	..	..	..	..	..	..	5
Dismissed for negligence of duty, &c.	..	..	..	..	..	..	..	..	..	1
Died	..	..	..	..	..	..	..	..	..	4
										—
Total	..	..	..	..	..	..	..	..	..	50

Thus the number of pensioners employed on the 31st March 1891 stood as follows:—

Pensioners employed under the new conditions	..	..	..	..	..	..	..	..	..	2,831
Do. do. prior to the introduction of the scheme	..	..	..	..	..	..	..	..	..	637
										—
Total	..	..	..	..	..	..	..	..	..	3,468

6. On the 31st March 1891 there were 743 candidates for employment at the different stations in this Presidency, viz.:—

A nominal roll of these men, giving their ages, stations, nature of employment required by them, &c., has been printed and will be circulated freely throughout the Presidency. In addition to the men above enumerated, there are a certain number of young, active able-bodied men of good character seeking employment, men who have been pensioned from the lately disbanded 32nd Regiment.

7. During the half-year year under report, there has been an increase in the number of pensioners employed in the stations:—

Arcot.	Quilon.	Ganjam district.
Arni.	Raipur.	Kurnool do.
Bangalore.	Sambulpore.	Kadur do.
Bellary.	Secunderabad.	Kolar do.
Berhampore.	Thayetmyo.	Mangalore.

Guntur.	Chanda.	Salem.
Madras.	Chingleput district.	Seroncha.
Masulipatam.	Cuddapah.	Trichinopoly district.
Pallavaram.	Godavari district.	Vizagapatam do.

and a decrease in the stations:—

Cuttack.	Rangoon.	Coimbatore.
Ellore.	Samalkot.	Hassan district.
Kamptee.	Trivandrum.	Madura.
Mercara.	Trichinopoly.	Malabar district.
Mount.	Anantapur.	Nellore.
Rajahmundry.	Cuddalore.	Tanjore.

8. A statistical statement showing the percentage of pensioners employed at each station and giving a rough estimate of the savings to Government thus effected half-yearly in the shape of rice compensation, viz., Rs. 20,690-15-6, is herewith attached.

9. During the course of the official year 1890-91, pension offices were opened at the following stations in Burma:—

Mandalay, Shewbo, Bhamo, Meiktila, Pokoko, Myingyan, and Nimbu, and in February 1891 the Superintendent of Pensions made a tour of inspection to the principal stations in that country with a special view to promulgate the employment scheme. In Rangoon there appears to be a large field for employment in the various factories, mills and mercantile houses, while the Railway and Postal departments offer special facilities. Notwithstanding a very general distaste for living in Burma, the liberal wages offered are beginning to tempt pensioners to take up employment there in various capacities, while the experiment of employing the better educated of this class of men as postal mail guards has, at the suggestion of the Superintendent, been kindly taken up by the Deputy Postmaster-General, Burma Circle, and promises to be successful.

10. The heavy cost of passage from Madras to Rangoon will probably deter many men from accepting employment in Burma, and it would be a great boon, could a free deck passage on Government steamers be granted by Government to *bona fide* candidates for employment, who might be recommended for such assistance by the Superintendent of Pensions.

11. As stated in the previous report, application for the services of pensioners should be made to the different officers in charge of pensioners, of whom there is one at each of the principal stations in the Presidency—*vide* pages 176 and 177, Madras Quarterly Army List, and any particular information on the subject will, on application, be supplied by the Superintendent of Pensions, Fort St. George.
