No. 26.

From

Lieutenant General H. McLEOD, R.A.

H. B. M's Consular Agent, Pondicherry & Karikal.

To

The Honorable J. F. Price, C.S.
Chief Secretary to Govt.
Fort St. George

SIR,

In enclosing a statement obtained for the I. M. S. N. Company's Agent at Pondicherry (requested to be returned when no longer required) I have the honor to inform you that it is not known whether the Passengers were British or French Subjects, and am consequently not in a position to furnish exact returns regarding the passenger traffic from this port.

In.

In the offices of the B.I.S. & Company and Asiatic Line Steamers they at least note down the native villages of the Passengers by which means British Subjects can be distinguished from French Subjects. The method of registering the embarkation of Passengers under notice, I am afraid, gives room for Cases of Illicit Emigration, and should in my opinion be overcome by some means as it is not possible to insist upon any exact return from a native firm who appear to keep no records.

This difficulty can be easily overcome and Correct returns could

Could be furnished if Government will authorize me to interfere and see that no passengers being British Subjects are allowed to embark from this port without obtaining Passports from this Office. This they are supposed to observe but I find they don't actually do so; and I have no means of Compelling them to do so.

I have the honor to be,
sir,
Your most obt. Servant,

Wm. Lord & James R.
H.B. & Co's Consul & Agent
Pondicherry & Karikal
