SUBJECT.

Re. Mr. Ord.

Huo.

For Order.

Capt. Kerrick in his R.O. to the Secy. to the Board of Examiners of 15 January [in L.P. R. No. 99 of 22.1.92] said that Mr. Ord would not qualify for probably 2 months - At that rate he will not join Malabar till about the 1st April.

Submitted that the President of the Board of Examiners be requested to state when Mr. Ord joined the riding-school & to obtain from the Commandant of the Body Guard a detailed report on Mr. Ord's course equitation course as also the reasons which induce Capt. Kerrick to believe that Mr. Ord will not qualify till about the 15th March.

In Rule 5 of the Civil Service Manual^(M. 2) it is stated that Junior Civilians are expected ordinarily to complete the equitation course within 2 months of date of arrival - This period in Mr.

C.S. Ord's case expires on the 7th instant

Memo No. 2513/9. February 1892

The Commandant of the Body Guard having stated in a letter to the Secy. to the Board of Examiners of 15 January 1892 that it would be probably ¹⁵ months before Mr. Ord, C.S., would obtain a certificate in equitation, the President of the Board of Examiners is requested to report ^{as early as possible} the date on which Mr. Ord joined the riding-school & to obtain from Capt. Kerrick a detailed report on Mr. Ord's equitation course together with the reasons which led to the conclusion that ~~Mr. Ord~~ would not qualify till about the 15th March.

Under Rule 5 of the C.S. Manual the equitation course should ordinarily be completed within two months of date of arrival

Madras, 15th February 1892.

From,

Captain C. W. C. Herrick,
Commandant, Body Guard.

To,

The Secretary to the
Board of Examiners.

Sir,

With reference to para 1 of your letter
N^o 135, dated 10th Instant, Mr. Ord joined the
Riding Schools of the Corps on the 14th December 1891.

2. Mr. Ord has up to this date received
only 24 lessons. He has been absent without
leave on 3 occasions, has received no instruction
for 19 days owing to the Christmas holidays, and
the past week during which the rehearsal of
the Madras Defence Scheme was being carried
out, and he was suspended 2 days on account
of improper conduct in the Riding Schools, making
a total of 24 days without instruction.

3. Referring to para 3 it has always been
the custom for gentlemen of the Civil Service to
undergo a course of 60 lessons in equitation,
unless the Officer Commanding thinks they
are qualified for the usual certificate in a
shorter period. Mr. Ord is at present a very nervous
rider

i.e. 2 months
course.

ter, in illustration of which, when asked
jump a small hurdle he clutches the pommel
of the saddle; he is also unable to keep
even the quietest horse under control at a
canter! I am therefore unable to grant him
the usual certificate, and fail to see a chance
of his qualifying for sometime unless he great-
ly improves in style and nerve in the next
few days.

I have the honor to be

Sir,

Your most obedient servant

Public Department,

SIR,

With reference to the l. o. s. marginally quoted, I have the honor to state for the information of Government that instructions have been issued to the several Government Hospitals & Lunatic Asylums to obtain perishable articles under the Contract System, and to purchase non-perishable articles "by tender in bulk" for 6 months at a time - keeping always not more than two months supply in the Hospital Store Room.

2. I have ordered the renewal of tenders for non-perishable articles every 6 months with a view to watching the market price of grain &c. from Season to Season. The restriction regarding the storage

23/2 ^{deuce or else} ^{is} ^{proving} ^{resisting}.
What he is doing now is making
a contract for six months, which
it is intended that he should
do is to call for tenders for
to ^{supply} ^{the} ^{rice} ^{to} be
delivered at once. If he can
only keep two months supply then
the tenders should be for this alone.
It however all evident saying that
rice will keep perfectly well
for a much longer time than this.
How do the merchants manage?
What is wanted is to get rid of
the intention to purchase too. but
the S. G. pertinaciously hangs
on to the permission to purchase
which Govt. wishes to abolish.
The difficulty raised in para
3 of the S. G.'s letter is a purely
unimportant one.
The Govt. is plain enough. It doubts
that all non-perishable articles
are to be purchased in bulk
and that purchase is to be effected
by tender.

Current No. 529.

Order 25-Feb 92 No. 136

The intention of
Govt was that tenders
should be called for for
a certain quantity of
rice ^(and other non-perishable articles, the stores) ^{to} be delivered
at once. If only two
months supply can be
kept in store then the
tender should be for
that amount. ^{It is} ^{thought} ^{however} that
rice ^{can be} ^{kept} ^{perfectly} ^{well} ^{for a} ^{much} ^{longer} ^{period}.
2 P.O. d/22.5.91, No. 403
is ^{plain} ^{enough}. It directs
that all non-perishable
articles are to be purchased
in bulk and that pur-
chase is to be effected
by tender. It is not apparent how
any other arrangements could be made ^{apart} ^{from} ^{orders}.
