Public Department.

SIR,

Adverting to your Reference No. 219 dated the 4th February 1892 I have the honor to state for the information of Government that W. A. Kristnasawami Aiyer appears to have joined the 1st class of the Madras Medical College in 1883 as a private student and completed all the Courses necessary for the Examination, but was not able to pass - although he went up four times for the same. He however passed the Hospital Assistant Examination held in June 1891 and is said to be about 25 years of age. No further particulars regarding his antecedents can be ascertained.

2. With reference to para 2 of Reference I have to state that for want of applicants only 8

ins.

instead of 12 temporary Hospital assistants have been entertained up to date and their services will be required and also additional men needed as long as Famine & distress threaten our Districts.

I have the honor to be
Sir,

Your most Obedt. Servant.
