Victoria Hospital for Caste &

Madras 11 February 1899

From The Honorary Secretary
Victoria Hospital Committee

To The Chief Secretary to Government
Fort St George
Honble Sir,

I have the honor, by direction of the
Managing Committee of the Victoria Hospital
for Caste and Gosha Women, to submit
this application for the permission of the
Excellency the Governor in Council to
indent on the Medical Stores Madras
for the supply of English Medicines and
Instruments required for the use of the
Hospital. The Medicines obtained
from the Chemists in Madras are dear
and unsatisfactory; and the Committee
having to economise expenditure and
save time as well, consider it inexpedient
to obtain the requisite supply from local
and would therefore deem it a great
cession if the Government be pleased
allow the Hospital under their charge
supplied from the Madras Stores.

2. I beg to

NOTE FOR THE CHIEF SECRETARY.

Submitted that this paper should be returned to the Surgeon General in view to the substitution of a letter for his endorsement. He has been told before that the letter form should be adopted, and especially when Govt. refers to him. Submitted that it is a slovenly, careless and wasteful way of doing work ^{which} should not be encouraged from subordinate officers.
