Proceedings of the Board of Revenue

(Land Revenue),

Dated 19th February 1892,

No. 1193.

The Hon'ble Mr. J. Grosse.

READ the following letter from M. Hammick Esq., Sp. Collector
of South Arcot, dated 4th February 1892. No. 477 :—

With reference to para 2 of Board's Proceedings
No. 477 dated 10th August 1891, I have the honor to state
that from the reports received from the Divisional officers
it appears that there are no monuments worthy of being
conserved in the District which have not been included
in the printed list therein referred to.

2. With reference to the remark regarding the
conservation of Gingee Fort, the sub-collector states
as follows:— "I beg however to state apropos of the
remark that Gingee might be preserved at a lesser
cost than Rs 200 per annum that I do not agree
with that opinion. I have noticed a good deal
of decay in the ^{ruins} during the short time I
have been here and I think that Gingee deserves to
be well conserved".

3. I agree with the sub-collector. The mass
of ruins at Gingee cover a great extent of country
and both from their intrinsic interest and also
from the very interesting historical associations
connected

connected with them these ruins deserve more than ordinary care. The allowance made really goes but a small way to do what is necessary in the matter.
