To

THE

Chief Secretary to Government
Public Department.

SIR,

With reference to G.O. N^o. 175 Pub.
dated the 15th March 1892, I have the honor to
state that the printed statement received
therein relates to the eight Districts named
in the margin and the Medical Officers
of these Districts have been called upon to
submit the necessary report.

2. It is however stated in the G.O. that the
statement should be forwarded to "all
District Medical & Sanitary Officers with the
exception of Kurnool & Bellary". It is not
understood whether by this remark it is
meant that District Surgeons other than the
eight specified above should also be furnished
with a copy of the statement. I so request
the favor of being informed what form of report
is to be submitted by them.

I have the honor to be,

Sir,

Your most obedient Servant,
