Proceedings of the Board of Revenue

C. S. Cole, Esq. C.S.

Read Proceedings of the Madras Government, Revenue Department, dated 18th January 1892, No 346.

Resolution

The Board would suggest a reference to the Government of India. The work of the separate Revenue Department, which involves very extended and rapid tours, will be seriously interfered with, if the charges such as that under objection, are repudiated by the state. The Commissioner, as a rule, travels at a loss, and cannot fairly be expected to meet expenditure incurred purely on account of Government.

Order thereon, 18th January 1892, No 346.

The Government considers that under the ruling quoted by the Director General of Telegraphs the telegram in question should be classed as private and that the cost thereof should accordingly be remitted to the Treasury.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of

the Board of Revenue, Separate Revenue, dated 13th November 1891, No 3714 His on Proceedings of the Government of Madras, Revenue Department, dated 20th October 1891, No 5422: -

Resolution

The Board beg to report that the message referred to in the Government Order read above, was sent by the Inspector, Tirukoilur circle in answer to an enquiry made by the Commissioner in the course of his official tour, to enable him to decide whether it would be necessary to send his tent in advance to Tiruvanam, the Head-quarters of the above circle, which he then intended to inspect though he was subsequently prevented from doing so. In the interest of the Public Service, it was desirable to ascertain beforehand, the nature of the accommodation available, as the existence of a bungalow at Tiruvanam would have obviated the cost of despatch of tent to that place at Government expense. In these circumstances, it is requested that the cost of the message may be admitted as a charge against the State.

Office Note in reply.

In accordance with India's Resolⁿ recorded in G.O. d/19.12.90, No 3093, Public Works, correspondence which may arise on Indian tele-graph matters is to be carried on in the P.W. Dept of local Govts. The case in point would not apparently fall within this rule - all similar cases in the belief Secretariat are dealt with in the Public Dept but there appears to be no reason why orders in the present case should not issue from the Revenue Dept.
