EMIGRATION.

NOTIFICATION.

*The 23rd March 1892.*

IN exercise of the powers conferred by section 80 of the Indian Emigration Act, XXI of 1883, the Governor General in Council is pleased to make the following amendments to Schedules A and C of the rules relating to Colonial Emigration published with Revenue and Agricultural Department's Notification No. 94 E. of the 18th March 1886:—

(1) In Schedule A, under the heading "Fire-engines and Buckets," for the words "The number of fire-engines and fire-buckets to be carried in an emigrant ship shall be as follows," substitute the following:—"The number of fire-engines, whether worked by hand or steam, and fire-buckets to be carried in an emigrant ship shall be as follows, and in the case of fire-engines shall be exclusive of the steam-engine prescribed in Schedule C for the working of the distilling and steam-cooking apparatus."

(2) In the same schedule, for the paragraph under the heading "Pumps" substitute the following:—

"*Pumps.*—Three pumps shall be carried independently of other prescribed pumps, *viz*, one head pump, one stern pump drawing salt water for cleaning, washing decks, etc., and one hold pump with flexible hose for issuing fresh water on the upper deck; or an equivalent number of pumps which can be utilized for the same purpose."

(3) In Schedule C for paragraph 1, substitute the following:—"All condensers shall have a separate engine for working the circulating cold water pump; and this engine shall be worked exclusively for feeding the steam boiler, except in cases of fire breaking out on board, when it may be utilized for the extinguishing of fire in conjunction with the separate fire-engines or pumps prescribed in Schedule A." This does not apply to steamers on which the supply of cold water for the condenser is circulated by the main donkey-engine or by an auxiliary pump attached to the main engine.

for Secretary to the Government of India.
