was duly appointed & has joined
the post.

The Surge Genl when replying to the
reference made to him has sent
up a petition from 1885 among which
is apparently now in charge at Montreal,
stating that his wife has sent up a
totally false petition regarding him
and that she is living separately from
him.

His petition concludes with a request
that he may be granted a gratuity
or pension for his former service of
some 21 years.

The circumstances under which the
pet. is signed after so long a service
seem to be strange & it is remarkable
that if there was anything wrong with
him and if his wife has been living
separately from him she should have
in her possession his original certificate.
The Dr. James Chesapeake seems to
have acted in a curious way, as he
has examined him thoroughly medically
& certified himself with saying that
he was delirious that he was

of sound constitution and in perfect
health. It is quite possible that the
Dr. James Chesapeake is wrong in the head in which
case it is hardly safe to allow him
to continue in charge of a dispensary.
However if he is not sane or is eccentric
he will no doubt be long be dismissed.

It is submitted that the petitioners
may be informed that Govt. cannot
comply with his request and that
he papers be transmitted to the
Pension Dept for the purpose
of the request made by him
that he may be granted a gratuity
or pension. It is true that the
cannot be sent to the Pension
Dept to say this.

DESPATCHED

Surgeon Genl.
Please send Dept - with Original
papers - to be returned.

Cms. 357/92

This seems rather a strange business.
In Oct. 1890 one Governoray a 1st C
Hospital Art. in charge of the Dispensary
at Sourampoor Ryg Dr. resigned
the service on the plea that his wife
had been left some months in the
Singapore Dr. by her father and that
he wished to go there in order to look after
her. In Dec. /91. his wife sent up a
petition stating that her husband had
suffered owing to insanity produced
by constant attacks of malarial fever;
that the story of the mother in Singapore
was the mere fiction and asking that
his resignation might be cancelled & that
he might be sent before a medical Bd
in view of his being pensioned.
After this petition she sent up a number
of original certificates handed to her
husband.

A reference to the S. J. for a report on the statement made has elicited as to my a report from the Dr. Surge Krzyzofski that Boorooang "betrayed no signs of lunacy nor did he have complaint of ill health" but also ^{to the} that ~~the~~ his name applied recently for the post of the S. J. at Imbumbani & having made a declaration before the Dr. Surge & throughout "that he is of sound constitution and in perfect health".

of the vacant Post is Rs 25.

Sir,

Having heard that the place of the 3^d
class Asst. at the Municipal Asst.
at Boujeevaram is vacant, I beg to offer
myself for the same.

2/ I am a 1st class Asst. no. 96
of 21 years service. I was obliged to resign
my appointment in December 1890 at
Nowrangapur, Vizagapatam District
on account of making some personal
arrangements with my father-in-
law about his landed property at Rajon.
I was under the full impression that
it was given to my wife as a dowry and
I could get my livelihood from it alone.
But unfortunately I was disappointed in
my endeavours.

OFFICE OF SURGEON-GENERAL

From

THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

To

THE *Chief* SECRETARY TO GOVERNMENT,
Public DEPARTMENT.

SIR,

I have the honor to forward for
disposal the accompanying petition to the
address of the Right Honorable the Governor
from the wife of R. Gurusami Naidu an ex-
first class Hospital Assistant.
2/ I enclose for the information of Government
a copy of his resignation submitted in October 1890.
3/ This Hospital Assistant was only posted
to Nowrangapur in Vizagapatam in August 1889
so that he had only served for about a year in that
District, when he resigned his appointment.
4/ From the correspondence and the previous
history of the man while on the effective list,
there is no reason to suppose that he was a
lunatic when he severed his connection with
the Department.
5/ I would have returned this petition without
submitting to Government, but consider that it comes
indirectly under the provisions of G.O. N^o 719 Pension
of 20th June 1890 and N^o 479 of 8th September 1877.

I have the honor to be,

Sir,

Your most obedient Servant,

M. de Sabsa
Surgeon-General with the Govt. of Madras.
