(11) Independently of the examination in Survey which is prescribed for the Higher Standard in section 18 supra, junior civilians must undergo a month's practical training with a Revenue Survey party, and no officer will be entitled to receive the increased allowance of a "passed Assistant" (rule 24) until he has completed this practical course and received the required certificate.

Before an
Assistant has

To the Chief
Secretary -

2- (3) The most suitable time for practical training in Survey work will ordinarily be when an Assistant has attained six months' standing. ~~An application to be attached to a Survey Party should, before that period of his service is reached, be submitted by each Assistant to his Collector, who will forward it through the Superintendent of Revenue Survey, for the sanction of Government in the Revenue Department. The Superintendent of Survey in forwarding the application will state to which Party the Assistant may, in his opinion, be most conveniently attached, and the Government will see to it that in dealing with the application.~~

he should
submit a
request to
be attached
to a Sum-
mons only.

(4) On sanction being given for an Assistant to join a Survey Party, his Collector will make arrangements to relieve him of his ordinary duties during the period of his training.

(5) After an Assistant Collector has satisfactorily completed his prescribed course with a Survey Party, a certificate in the form A appended shall be prepared by the Officer in charge of the Party and forwarded for countersignature to the Superintendent of Revenue Survey, whose duty it will be to satisfy himself, as far as possible, that the certificate is correct and that the time passed with the Party has been profitably employed.

FORM A.

I, A.B., Deputy Superintendent of Revenue Survey, do hereby certify that Mr. C.D., of the Madras Civil Service, has been attached to _____ Party for a period of _____ from _____ to _____, during which time he has accompanied me on _____ occasions when engaged on field work survey, and that he has acquired a fair knowledge of the operations of survey, and of the orders relating thereto.

A.B.,

Deputy Supt. of Revenue Survey.

Superintendent of Revenue Survey.

(6) The Superintendent of Revenue Survey will forward to the Board of Revenue, for submission to Government, an annual return of all certificates granted to Assistant Collectors during the past official year. The return will be in the form B appended and should reach the Board not later than the 1st June of the year following that to which it relates.

the last sentence of rule (2) of the Board's draft, which is based on G.P. dated 18th Feby 87 No 241 Public, is unnecessary

171. In (3) the words "in the Revenue Department" should be omitted & for the words "for the sanction of Govt. in the Revenue Department" the words "to the Chief Secretary for the sanction of Govt" should be substituted. Orders on these applications are always passed in the Public Dept. as this Dept. deals with the movements of ^{all} civilians

The last clause in the same rule - from "and the Government" to the end seems superfluous & might be omitted.

4. The last clause of the present rule 12. (p. 24 of C.S. Manual) would, as pointed out by the Board, be more appropriately placed as a note to section 18.

5. Subject to the above modifications it is submitted that the Board's draft may be approved & circulated to all Collectors & the Dep'ts concerned, the necessary corrections being made in the Civil Service Manual.

C. No. 8/5

From The Board of Revenue

Dated 3rd March 1892.

FOR ORDERS.

The rules formerly in force for the practical Survey + Settlement course will be found on pp. 21 to 24 of the Civil Service Manual. In the copy of that book put up the modifications proposed by the Board have been embodied.

2. Rules (1) & (2) of the Board's draft might, it is submitted, be altered. In para 4 of the ^{present} Resolution the Board points out the hardship ~~that would be~~ inflicted on junior civilians if ~~they were~~ ^{by} prohibited from appearing for the Higher Standard till completion of the practical Survey course, & has accordingly omitted the first clause of para 4 of the existing rules. The wording of rule (1) in the draft does not however make this point clear. It is proposed to throw rules (1) & (2) of the Board's draft into one rule to run as follows:

"In addition ^{dependent} to the examination in Survey prescribed for the Higher Standard in section 18 ^{supra}, junior civilians must also undergo a month's practical training with a Revenue Survey party, and no officer will be entitled to the increased allowance of a 'passed Assistant' (rule 24) until he has completed this practical ^{course} and received the requisite certificate. In addition to passing the Higher Standard
