OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, *2 April* 1892.

No. *P.P.*

From

H. B. GRIGG, Esq., M.A., C.I.E.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

*The Honble the Chief Secretary
to Government
Fort St. George.*

SIR,

With reference to G.O. of
24th November 1891, No. 989 Public,
I have the honor to state that
I consider that if a competent
officer can be secured by this
Government to undertake, without
remuneration, the duties of
Director of Ethnographical
research, on the lines sketched
by Mr. Rieley, that without

much expense, results of much
scientific value in regard
to the customs of the numerous
tribes and castes of this
Presidency may be obtained,
but that if no such officer
is available it will be
useless to attempt a survey
of the kind indicated. I
know of only one officer
in this Presidency, who is
competent to undertake the
work, I refer to Dr. Hultzsch.
Should he succeed to the
chair of Sanskrit & Comparative
Philology in the Presidency
College, which must be
vacant within the next two
or three years, and be willing

to undertake
really make the work,
informative scientific
indicated, on of the kind
but others might be elaborated.
recommend I cannot
should be that anything
Government be done by this
with the aid of Dr. Hultzsch,
superior assistance of a
could, its suitable attainments
matters in the, soon put
I believe, in train, and would,
men employed not a few
work as engaged in Educational
Department as well as in other
branches of the adminis-
tration, who could render
confident help; but I am
sure such help could

not be relied on, unless the
Officers entrusted by the Director
-ship is one in which the
Public would place an
implicit confidence. I feel
assured that the trouble
they might take in assisting
in the work would not be
time thrown away, which
would be maintained by the case
if the administration of this
Ethnographical Survey were
entrusted to a gentleman
of indifference to
Scientific Accomplishments.
I have the honor to be,
Sir,
Your obedient servant.
