From

GOVERNMENT OF MADRAS,

To

FORT ST. GEORGE,

THE *Chief Secy: to Government*  
*Public Department,*

SIR,

I have the honor to report for the information of Government that Miss Scott, the present Matron of the General Hospital Madras has just been married and must necessarily vacate her appointment. She is however willing to stay on till her successor arrives and I therefore request the orders of Government on the subject of a successor to her.

2. For the post of Matron at the General Hospital a European Educated in England and with previous experience is in my opinion indispensable. She must be able to keep up discipline and must be a woman whom the large staff of nurses at the Hospital will respect and obey. Experience shows that

nurses do not respect nor will they willingly obey orders from a locally trained matron.

3. As the new Women and Children's Hospital is about to be opened, it is imperative that for the satisfactory management of the Combined Institutions a really well trained European lady should be obtained - I see no difficulty in securing one as the rate of pay offered must be attractive to many in England.

4. I therefore request the permission of Government to advertise in England and if approved I request instructions as to how passage money &c. should be arranged for the selected candidate to come out.

5. It will be seen from G.O. No. 980 Public of the 19<sup>th</sup> June 1878 that when Miss Anderson was originally appointed, she was granted a first class passage and a sum of £30 for outfit.

I have the honor to be,  
Your most <sup>aff</sup> obedient servant.
