The rule appended to para 2 of the G.O. read above will be extended as follows:-

For Orders.

In submitting the accompanying draft order, which is in accordance with the views of H.E. the Governor & the Honble Mr. Gascoin (vide notes on C.M. 636 in the original of G.O. of 21.3.92 No 185), it is suggested that a proviso might be added similar to rule 18 of the revised notification appended to G.O. of 24.6.91 No 508 Pub. (p. 7). Under this rule the limiting period within which an officer is required to qualify is held to extend to include the last day of the examination immediately following the actual termination of the limits prescribed.

"An Assistant who fails to pass according to the first standard before completing three years actual service" will be suspended, & the same penalty will be incurred by an Assistant failing to pass according to the second standard within four years actual service"

Two Wednesday in January, and in only
two cases within the last 10 years (Messrs
Sydney Parsons) have the dates of arrival
been later than 15th January. The effect
including in the periods of 3 & 4 years
the examination immediately succeeding
the actual termination of these periods
will be to place all Civilians of the
same year, who do not take furlough or
special leave before the completion of 3
& 4 years service, on the same footing
as regards this rule, periods such as
those dealt with in the notes in G.O.
728.2.90 N. 167. will not arise. At
that time, it will be remembered,
difficulties arose in dealing with
the cases of two officers who completed
the 3 years period in Nov. & of two
others of the same year who completed
the period in January within a day
of the examination. The same difficulty
as to the interpretation of the present
rule arose in the case of Mr. Elphinstone
