The Humble Petition of
William Samuel Newman,
Fellow of the Chemical
Society, London, & Asst.
Chemical Examiner to
Government.

Most Respectfully Sheweth.

That with reference
to G.O. dated 25th March 1892 No 195,
the acting Chemical Examiner D. Pope
sent your Petitioner the correspondence
therein referred to without the enclosure
of certain letters, notably Copy of the
letter of the Collector of Sea Customs
and Copies of the report of Mr
Pungaswamy Iyengar, and of
statements of two others forming
the bases of the 2nd Charge against
your Petitioner; whereupon your
Petitioner addressed D. Pope by
letter reply to which was received last
night, (Copies herewith submitted);
that your Petitioner needs scarcely
say that without even knowing
what were the exact statements
made to support what he considers
the gravest charge laid against

Acknowledging the receipt of
 your docket of the 7th instant together
 with copy of the Proceedings of the
 Pub. Dept dated 23rd January 1891 and
 and the order thereon para 5 and 9.
 I regret to observe that you have failed
 to furnish me with copy of the copy of
 the letter of the Collector of Sea Customs,
 copy of the Preliminary Report of Mr. Banya
 showing expenses and copies of the
 statements of two others in the office
 which you have forwarded to Govern-
 ment with your letter no 132 dated
 7th Dec 1891, and without which it is
 clear that the Correspondence cannot
 be considered complete, and that I
 should be deprived of the opportunity
 of refuting in my appeal to Government
 the gravest of the charges you have
 laid against me, in reference to which
 the Government have been pleased to
 observe "Mr. Newman has not had an
 opportunity of Cross-examining the
 deponents in this matter".

I have already been unduly pre-
judiced by your withholding Copies
of papers absolutely required to
enable the framing of my appeal
