GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

Medical Department—Officers.

Read the following papers:—

No. 136. *From Surgeon-Major G. F. BEVAN, for Principal Medical Officer, Her Majesty's Forces in Madras, to Brigadier-General H. R. HOPE, Secretary to Government, Military Department; dated Fort St. George, 29th January 1892, No. 199.*

I have the honour, by desire of His Excellency the Commander-in-Chief, to submit the following remarks for the information and orders of Government.

2. Surgeon-Captain T. B. A. Tuckey, M.S., having obtained a certificate of competency in Operative Surgery in 1890, submitted a bill, dated 20th October 1891, for Rs. 20 to the Pay Examiner, Madras, on receipt of G.O., Military Department, No. 5453, dated 2nd October 1891, for reimbursement of the amount paid by him to the Principal of the Medical College, Madras. The above claim was, however, returned unpassed on the ground that the order above referred to has no retrospective effect.

3. In the opinion of the Commander-in-Chief, there can be no doubt that Surgeon-Captain Tuckey is entitled to a refund of the fee paid by him, because it can scarcely have been the intention of Government that such fee should be met from the private purse of the Medical officer. His Excellency therefore recommends for the favorable consideration of Government that retrospective effect, beginning from the date the order was promulgated in England, may be given to the provisions of G.O., Military Department, No. 5453, dated 2nd October 1891.

Medical Department—Officers.

In reply to your telegram No. 1694, dated the 11th March 1892, enquiring whether retrospective effect can be given as regards refund of fees to officers of the Medical Staff who went through a course of Operative Surgery before the date of Military Department letter No. 3507-D, dated 11th September 1891, I am directed to invite attention to the decision in Military Department No. 348, dated the 14th August 1871, communicated with endorsement No. 349 of the same date, and to say, for the information of His Excellency the Governor in Council, that, in accordance with the principle therein laid down, the proposal is not admissible.
