134 Rajahm 13 Broadway
Madras 2nd May 1892

The Chief Secretary to Government
Fort St. George

Sir,

Being desirous of having the labels we
affix to bottles of aerated waters manufactured by
ourselves registered, & that we alone may have the
right to use the labels and so prevent, as far
as possible, aerated waters of other manufacture
being sold as of our registry can, as we are led to
enquire whether such a thing can, as we are led to
believe, be effected in your office.

If this is possible, may we ask what the
charges, if any, will be for the registry.

If the registry cannot be effected in your
Office we shall be obliged to inform us to
whom we are to apply to in the matter.

Our object is to secure the right of prosecuting
parties who fraudulently use our labels.

The labels will be of different colors for each
class of aerated water, thus, yellow for Lemonade,
Red for Soda, & so on. The bottles enclosed with probably the
addition of some device as a trade mark.

Yours obedient servants
J. H. Meslin
