I am sorry that White's post-
poned departure on the exigencies
of the service at the time of his return.
But I don't know what was
is due to the virus of the defalcation
of the Rev. Bam. respecting
J. H. E. writes that White should be
ordered to Chicago. I have no
objection.

Yes
19 May

If the exigencies of the service should
not be such as to debar White's being
posted to Chicago when he is re-
transferred to civil employ, I think
it would be as well for the S. G.
to post him there. I have no doubt
that White had a hand in the
petition, but from what I could gather
from the defalcation, his reappointment
would be generally popular - Red?
Bass not in the standing.
