Chicacole, Gyarjam Dist.
May 7. 1892

To
The Secretary Surgeon General
Madras.

Sir

At the request of a deputation of the leading citizens of this town, I today, sent you the following telegram

"Understand somebody wired you very recently requesting retransfer of a potterary"
"White Chicacole. If so this has not public approval. There is general satisfaction with Devenboo" I was told that one or two personal friends of Mr White had either sent to you or were about to send to you a telegram requesting that Mr White be sent back here, and representing this request to be the general desire of the citizens of Chicacole. When Mr White left here there was much sympathy felt for him on account of the death of his wife and his large family left motherless, and so an effort was then made to get you to cancel his Burmese appointment and to permit him to remain here.

Since Mr Devenboo has come here he has done his work so faithfully and skilfully that he has gained the respect and confidence of all classes, so that there would be a general feeling of grief should he be removed from this place. I can testify to his skill and attention to duty from my own

experience, for I believe that I owe the life of
my wife and son to his care in a very diffi-
cult case of confinement. Mr. Andrew, the
Principal Assistant Collector is absent at
present, but I think if you refer to him, he will
confirm what I have said respecting Mr. Deane
his qualifications and how much he is
beloved by the people here generally.

I am Yrs
sd/ J. Howard Basso.
