Public Current 1294

It appears from the list in G.O. 310 & 6.5.92. that three out of the four Hospital costs are working in local Fund Institutions.

G.O. d/ 28.10.91, No. 911, said nothing ~~adverse~~ as to the debit of the charges, and in the case of funds to whose salary Govt contributes only 1/8th a decision is necessary. There is nothing, however, to show that the order was applicable to Hospit. assets in L. F. or Municipal dispensaries. If it is, then apparently Provincial should pay as L. F. and Municipal bodies were not consulted. It wd. probably cause much heartburning to restrict the allowance to men employed in purely Govt institutions.

For orders.

The cost of firing the allowance would be about Rs. 100 a month at 20/5. The S. G. in his letter No. 445 dated 24.7.91 in G.O. No. 561 dated 4-8-91 says that there are 132 Telugu appointments & 87 Telugu speaking & 100 Telugu speaking. Then leaving 45 Telugu to be filled by men not speaking Telugu. How many of these apply will be Govt. and how many in L. F. or in institutions, is not stated. First, length of service is not stated.

I don't think it is worth while
going into these points. The 2 Rs
allowance is given for the benefit
of local municipal bodies. The
patients in their dispensaries cost
as for that of Govt. It is a trifling point
which seems to be likely to be lost.
One right of it will not be paid
Provincial funds. Simply sanction
the payment in these cases.
