SIR,

With reference to my letter No. 88 dated 18th January 1892, I have the honour to inform you that the Government of India have been in communication with the subject of the Government of Madras on the transfer of the Jugga Rao Observatory and copies of proceedings relating thereto have been forwarded to the Government of India the nature of which it would have been desirable for you to have communicated to the Government of India in the first instance. Under the circumstances the Governor General in Council regrets that the trust cannot be accepted or any further action taken unless the whole of your family concurs in the transfer and a clear title can be conveyed to the Government.

I have &,
