PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G.O. dated 28th

March 1892 No: 297.

Read also the following Proceedings
of the Board of Revenue Land Revenue
dated 13 April 1892 No: 2314 mis on
G.O. dated 28 March 1892 No: 297.

Resolution

The Board considers that
if a Head Assistant can be provided
for the Vizagapatnam District only by
withdrawing one from one of the districts
named in the order of Government,
Cuddapah can best spare its Head
Assistant. The Head Assistant's
Division in Salem includes Tripattur
which has a large Mahomedan population.
The Board thinks that he should not
be removed. The Vellore Head Assist-
ant is required to look after the Venkatagiri
Zemindari.

2. But the Board respectfully begs to point out that as it is recommended was not a mere transfer of one of the existing Head Assistants but an additional Head Assistant Collector. The existing number is by no means too large and no district can well spare its Head Assistant.

Order thereon: 21 May 1892 No: 510.

There is no prospect of sanction being given for an addition to the strength of the Covenanted Service. The Head Assistant Collector will therefore be transferred from the Cuddapah district to the Vizapatnam district and one of the Deputy Collectors sanctioned for the latter district will be transferred to the former with effect from the 1st July next.

2. The Construction of buildings for the Head Assistant Collector at Budar may now

now be proceeded with.

2. But the Board re

How. oliv

Proposals in regard to the
officer to be sent to Vizagapatam
are being submitted to H.E. The Governor.

The only point that calls for
orders is the designation of the new
appointment in Vizagapatam. There
is already in that district a Principal
Assistant, a Senior Assistant, and
Special Assistant. The only designation
apparently remaining is that of
Head Assistant. It would cause
much inconvenience to have two
officers with the same designation
in one district, so "second Special
Assistant" or a similar term is
out of the question.

It will be observed from para
4 of the Board's Res. recorded in E.O.
of 2.5.92. No 298 Public that the
^{new} officer takes over the divisions
at present under the Principal
Assistant.

27 May.

C.S.
29.5.

The new officer should be
called Head Assistant I think.
