Revenue and Agricultural
Department
(Archaeology)

SIR,

I am directed to forward for disposal

under the orders of His Excellency the Governor in

Council the Archaeological drawings mentioned in the

enclosed list. These drawings were prepared in the

late office of the Curator of Ancient Monuments and

may prove of value to the Archaeological Survey of

the Madras Presidency or to the local Government in

connection with the conservation of the buildings

to which they refer.

2. I am to add that if a selection can be made from the drawings of portions suitable for reproduction in the Journal of Indian Art or the Technical Art Series and sent to this Department with

appropriate letter press the Government of India

will be glad to have them published for the Technical

Art Series, drawings in enlarged outline similar to those in Colonel Jacobs "Portfolio of Archi-

tectural Details" are considered most suitable.

I have the honour to be,

Sir,

Your most obedient servant,

J. W. P. Muir-Mackenzie
