Madras

Sir,

In Submitting a copy of the
Proceedings passed by me in the Treasure
Trove Case notified at page 41 of the
Fort Saint George Gazette dated 12th January
92 (Part II), I have the honor to state
that the rupees are not old enough
to be of any antiquarian value, and
to request permission to sell the
two Mahomedan coins for their
intrinsic value in silver to a
gentleman in Poona who has
applied for them.

I have the honor to be

in which it was found, but as
the finders failed to give the notice
required by Section 20 and there
is reason to believe that they
have retained a large portion of
the treasure found, their share
of that produced forfeiture in their
majesty under Section 20
of the act

3. Looking to the ignorance
of the parties, and the fact
that there is no actual proof
of retention of a portion of the
treasure I consider it un-
necessary to order their pro-
secution.

No one having appeared on the 23rd May
1892 or on any subsequent date in accordance
with the notification I find under
Section 8 of the Treasure Trove Act
that the treasure was not hidden
within one hundred years before the
date of finding by a person appearing
as required by the notification and
claiming the treasure or by some other
person under whom he claims; and
I therefore under Section 9 declare
the treasure to be ownerless.

2. Under Section 12 of the Act
the treasure is divisible between
the finders, and the Government.
