GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following papers:—

Telegram to the Government of India, Revenue and Agricultural Department, dated 10th December 1891, No. 789.

“Under section 2, Act XXII of 1891, sanction requested extension Inland Emigration Act I of 1882 to Ganjam district.”

Telegram from the Government of India, Revenue and Agricultural Department, dated 17th December 1891.

“Government India sanction issue of notification in *Fort St. George Gazette* extending Act I of 1882, ‘The Inland Emigration Act,’ to the Ganjam district.”

From E. C. JOHNSON, Esq., Collector of Ganjam, to the Chief Secretary to Government, dated Chatrapur, 24th December 1891, Ref. No. 1686-Eng.

With reference to your telegram, dated 20th instant, calling for proposals as to appointments, &c., under Inland Emigration Act, I have the honour to make the following suggestions:—

2. *Appointments*—(1) Superintendents—The Collector at Chatrapur and Port Officer at Gopálpur should be appointed Superintendents. The former only should be invested with powers under sections 12, 23 and 59; and his duties will ordinarily be confined to the issuing of licenses and the general control of the working of the Act. The latter will perform the duties falling on Superintendents under sections 34 to 49 of the Act.

(2) Registering Officers—The Principal Assistant Collector, the Senior Assistant Collector, the General Deputy Collector, Goomsur, each within his own jurisdiction. The Treasury Deputy Collector for the whole district (to avoid difficulty on account of absence from head-quarters of the officers, who are itinerating officers).

(3) Embarkation Agent—Port Officer, Gopálpur. I see no reason for thinking that any inconvenience can arise from the same officer being both Superintendent and Embarkation Agent. I would not allow embarkation at any other port, as there is no officer suitable for the duties of Superintendent elsewhere, and I am of opinion that the depôts should be (as they are now) at the place of embarkation only.

(4) Medical Officers under section 30—Assistant Surgeon, Berhampore; Apothecaries at Chicacole, Goomsur, Chatrapur.

(5) Medical Inspector under section 40—Apothecary, Gopálpur.

3. *Depôt*.—I would, as above stated, allow depôts to be at Gopálpur only.

4. *Fees*.—I recommend that fees remain as at present—Rs. 100 for a contractor, Rs. 10 for a recruiter, Rs. 1 for registration; with the addition of a Rs. 50 fee for a sub-contractor (none such are issued at present).

5. A clerk on Rs. 15 for each Superintendent and Registering officer and an additional clerk on Rs. 15 for the Superintendent at Gopálpur, whose work will necessarily be heavy. It will be necessary to allow that officer a special allowance for his work, which I would suggest should be fixed at Rs. 150 per mensem.

6. Should the number of emigrants increase very largely, it will probably be necessary to arrange for making each Sub-Magistrate a registering officer; but this I do not consider necessary at present, and prefer to restrict this duty to divisional officers. I would wish to call attention to the fact that our revenue will (temporarily at least) fall off on the introduction of the Act, as under it "Garden Sirdars" will be entitled to recruit on the strength of their countersigned certificate only, whereas at present each one has to pay Rs. 10 for a recruiter's license. A large proportion of the recruiters now employed in this district are "Garden Sirdars" in the sense that, though not as yet certificated, they are coolies who have gone from here to gardens in Assam and Bengal, and have been sent back for the purpose of recruiting.

7. I have wired to you and to the Commissioner of Orissa for a copy of rules in force under the Act in Bengal, and on receipt of the same will submit a set of draft rules for the approval of Government.

ORDER—dated 21st January 1892, No. 44, Public.

Ordered that the following Notification be published in the *Fort St. George Gazette* :—

NOTIFICATION.

Under the provisions of section 2 of (India) Act XXII of 1891, "An Act to extend the Inland Emigration Act, 1882," and with the previous sanction of the Governor-General in Council, the Governor in Council is pleased to direct that (India) Act I of 1882, "The Inland Emigration Act," be extended to the district of Ganjam with effect from and after the first day of April 1892.

2. The following notification will be issued on or after the 1st April next :—

NOTIFICATION.

The Governor in Council is pleased to make the following appointments in the Ganjam district under the provisions of Act I of 1882, "The Inland Emigration Act" :—

To be Superintendents of Emigration.

The Collector of the district at Chatrapur.
The Port Officer at Gopálpur.

To be Registering Officers.

The Principal Assistant Collector,
The Senior Assistant Collector,
The General Deputy Collector, Goomsur, } each within his own jurisdiction.
The Treasury Deputy Collector, for the whole district.

To be Embarkation Agent.

The Port Officer at Gopálpur.

To be Medical Officers under Section 30 of the Act.

The Assistant Surgeon at Berhampore.
The Apothecaries at Chicacole, Goomsur and Chatrapur.

To be Medical Inspector under Section 40 of the Act.

The Apothecary at Gopálpur.

2. The Collector of the district as a Superintendent of Emigration is hereby specially authorized to grant licenses under sections 12, 23 and 59 of the Act, and the duties of Superintendent laid down in sections 39 to 49 will be performed by the Port Officer, Gopálpur.

3. It is further directed that embarkation of emigrants shall take place only at the port of Gopálpur; and, with reference to section 19 of the Act, that depôts shall be established only at the place of embarkation.

4. The following fees shall be charged :—

- (a) For a contractor's license under section 13—Rs. (100) one hundred.
- (b) For a sub-contractor's license under section 13—Rs. (50) fifty.
- (c) For a recruiter's license under section 24—Rs. (10) ten.
- (d) For the registration of each labourer under section 35—One rupee.

3. The entertainment of seven clerks on Rs. (15) fifteen each *per mensem*, to be distributed as proposed by the Collector, is sanctioned with effect from the 1st April next. The Government considers that an allowance of Rs. (75) seventy-five *per mensem* will sufficiently compensate the Port Officer for the extra duties he will be called upon to perform. The Government of India will be addressed accordingly.

4. With reference to paragraph 7 of the Collector's letter, it is observed that Sections 13, 19, 20, 21, 24, 32, 39, 50, 52, 57, 60, 66, 68, 71, 76, 87, 88, 90, 91, 93, 94, 95, 99, 107, 109, 110, 112, 113, 123, 124, 125, 126 and 145 (see also 143). action either may, or should, be taken by the local Government under each of the sections of the Act quoted in the margin. A sufficient interval before the introduction of the Act has therefore been allowed to permit of the Collector submitting complete recommendations. The Government of Bengal was, on the 4th instant, asked by telegraph to supply the Collector direct with copies of all rules under Act I of 1882 in force in that Presidency.
