FROM

TO

The Secretary to the Govt of Madras,

Rev. & Agri. Dept.
Museums and Exhibitions.

Simla, the 24th June 1892.

SIR,

Adverting to the Circular from this Department, No 3, dated 18th May 1891, I am directed to inform you that the nomination of members to represent *the Govt of Madras* in the Indian Section of the Council of the Imperial Institute was duly communicated to Her Majesty's Secretary of State. The selection made from the list of nominees is not yet known to the Government of India, but in a recent correspondence from the India Office the following questions are raised :—

- (1) whether the present Indian members may continue in office until 23rd July next ;
- (2) whether present members shall be reappointed for another term ;
and
- (3) whether future appointments shall count from 23rd July instead of 1st May.

2. The first question has practically settled itself by the lapse of time, and the Government of India, in anticipation of the approval of *the Govt of Madras,*

have informed the Secretary of State that present members may continue to serve on the Council until 23rd July next. In regard to the second question, the Government of India would recommend that present incumbents be reappointed in view of the fact that the opening of the Institute has been deferred until next year, and for the reasons given in paragraph 4 of the Circular quoted above, in accordance with which the first nominations were made. The third question the Government of India propose to answer in the affirmative, so that the year of office of Indian representatives may correspond with that of other members of the

Council. They also propose the adoption of the rules formulated below, and forwarded for consideration :—

1. All appointments to the Indian Section of the Council shall be for one year only, but subject to vacation in the event of the member's absence for more than four months.
2. The year of office shall commence on 23rd July.
3. Nominations will be submitted to the Government of India by the 1st of June. If no communication is received by that date, the incumbents then in office will be considered to have been reappointed and the Secretary of State will be informed accordingly.

Should *the Govt of India* have any objection to urge against or alteration to propose in the above rules I am to ask that the necessary communication may be made to the Government of India within a month from the date on which this letter is received.

I have the honour to be,

SIR,

Your most obedient Servant,

W. M. Mather
