No. 533 of 2nd Aug. 92
Public Department.

LETTER- TO THE SECRETARY TO THE GOVT. OF
INDIA, Rev. and Agri. Department.

SIR,

Referring to my letter No. 271, dated
22nd April last in which it is stated
that a further communication with regard
to the retention of Dr. Hultzsch's servi-
ces would be addressed to the Govt. of
India, I am directed to state that Dr. G.
Oppert, the Professor of Sanscrit in the
Presidency College, will retire at no dis-
tant date and that the Governor in Council
is of opinion that the most satisfactory
as well as economical arrangement which
could be made on Dr. Oppert taking his
pension would be to appoint Dr. Hultzsch
to the vacancy which will thus be created
he being admitted to the grade of Education
Service on Rs. 500-750 and his previous
service being allowed to reckon for leave
and pension. The post of Professor of
Sanskrit carries with it an allowance of
Rs. 100 per mensem as Curator of Oriental
Manuscripts.

2. This Government, I am to say, would
propose that Dr. Hultzsch should continue
to perform the duties of Govt. Epigraphist
receiving for this in addition to his
other emoluments Rs. 300 per mensem. This
would involve a saving of Rs. 350 p.m.
and secure at the same time a thoroughly
competent gentleman both for the Sanscrit

chair and for epigraphical work.

3. The Govt. believes that as Dr. Hultzsch has now trained Asstts to aid him his efficiency in either branch of the duties which it is proposed to assign to him will in no way be impaired.

4. I am to mention that Dr. Hultzsch will be quite willing to accept the terms ^{21/6/92} mentioned above, and to request that the decision arrived at on the proposals now made may be communicated to this Govt. at as early a date as possible in order to enable Dr. Hultzsch to intimate to the authorities at the Vienna University, at which he is a lecturer, his intention of severing his connection with that institution.

to long as he was satisfied that his epigraphical work would not suffer. This Govt. however is satisfied of opinion that this work could be carried out under the proposed arrangement in a satisfactory manner, & H.E. has assured him on this point. 1 Aug.
