

On the contrary, the distinct tendency is to a
leniency which in my judgment tends to be
injurious to the public service. It is matter of
common remark that men do not now know
the vernaculars as well as was formerly the
case. In my opinion, it is much to be regretted
that this should be so. The remedy is to make
the examinations more, ^{rather} than less, difficult.

I have the honor to be
Sir,

Your most obedient servant,

H. W. Smith
