GOVERNMENT HOUSE,
 Botacammah,
 31st August 1892.

Salisbury, just about the time
the permission to practice was
-ed & the Dept. recommended
me to be confirmed. The Dept.
General of the time then looked
my claims and sent the
present instructions to George
to take up the papers. As the
was a widow of the time the
employment of the time the
services, to the time after leaving
I took up an employment with
under the Health Board and
remained in the time and
with the time. I began
private practicing at the

good practice and held many
Certificates from the time.

I applied and
was appointed. During the time
health. After a year I resigned
a health certificate by the
Chairman at that time. For
G. W. Davis. Head. Sect. Coll.
I began private practice again
and continued it for about
a year after which hearing
the Chairman of the time

has been reported to her husband
I further beg to say that for
the past two or three weeks
I have been left depending
on my widowed mother
who is left without a pension
but by a few pounds given to
her by my sister who is
married. It is very seldom
I get a call from her as
living in a hospital where
many find it hard. The
maliciousness of the
Hospital at Madras where
I have been about a year ago
the doctor was willing to give
me the place he took to
Dr. Hall who retained it

... though he was able to go
to my work he would not
for a separate reply to
about the place. Finding
the days going very very
hard with the rain and
trying very much to be
honestly but given I had
applied to the Surgeon Genl.
with the Govt. of Madras
asking him to give me
a place there. There were many
in favour of the Surgeon
I wanted to go through him
if I applied to the doctor
which I will be sent for
direction to him and I did
not wish to be displaced.
And he has sent me a reply
of pressing his inability
which I feel very

unfortunate
therefore
I therefore beg
to pray that you
will be so good as to
excuse my present
unfortunate affairs
I take my sad and deplorable
circumstances into your
favorable consideration
and I am full of
gratitude which I doubt
I confess was my fault
for not having brought the
same to the notice of my
superior or things would

under to the effect that I
may be provided with
some decent work thereby
enabling me to get on and
living and above all to regain
my name which I have so
unfortunately lost through the

of Affairs. I am
I doubt with much of the same
present hard days in getting
a livelihood.

I shall always
pray for your Excellency's
long life & prosperity &
if your Honor could only
pity & assist me I shall
take care not to give you
or my superior cause to
repent ever having assisted
an unfortunate creature
as I am left.

I most respectfully
beg to remain
your Excellency's
most obedient servant.
I am, Sir, I am, Colebrook
