Mr Buckley has been
mentioned as a suitable
officer for supervising the
sorting of the Board's records
and selecting papers for publi-
cation. He does not appear
to be the stamp of officer
to be trusted with work of
this kind in carrying out which
he will be left entirely to him-
self.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G.O. dated 29th March

1892, No. 1690. directing the Collector of North Arcot to obtain and forward to Government any explanation which the Sub and Head Assistant Collectors may have to offer for the very small outturn of inspection work of Shavi and waste noticed by the collector.

Read. Proceedings of the
Board of Revenue, Revenue Settlement, Land Records and Agriculture, dated 16th August 1892.
No. 6793 Mis. submitting with remarks letter from the collector of North Arcot forwarding the explanation of Messrs Macleod and Buckley for the small outturn of inspection of waste and Shavi noticed in G.O. No. 1690 dated 29th March 1892.

Order thereon 7th September 1892, No. 3971.

In accordance with the direction contained in the order read above the Collector of North Arcot submits the explanations of the Sub Collector Mr. Macleod and Head Assistant Collector Mr. Buckley for the short outturn of inspection of waste and
withdrew

withered crop brought to notice in Mr Le Fann's letter of the 14th March last. As regards Mr Macleod, Mr Le Fann admits that he did satisfactory work subsequent to the 12th March and as he appears to have exerted himself recently his explanation is accepted. Mr Buckley's outturn of inspection was very unsatisfactory but he seems to have suffered from exposure to the sun and states that the District Surgeon reported him unfit for outdoor work in March. Making all allowance for this, however, Mr Buckley appears to have neglected his magisterial and Revenue work whilst his examination of the loan registers is shown to have been very perfunctory. For this neglect as well as for leaving his division after the collector had refused to give him any more leave Mr Buckley deserves severe censure.
