Works dated 30 June 1892 Communicated with  
Public Dep<sup>t</sup> N<sup>o</sup> 709 of 12 July 1892.

2. From the above facts it appeared that  
the idea of constructing a new hospital for  
women & children was ~~apparently~~ undergoing  
a change. and that there was every proba-  
- bility of the scheme proposed by me, for  
converting the present Military Block of  
the General Hospital into an hospital  
for women and children, being sanctioned.

3. It appears now from the letter of the Govt.  
of India N<sup>o</sup> 1751 W. of 20 June 1892 En-  
- closed in G. O. N<sup>o</sup> 5204 Wily: of 22<sup>d</sup> August/92  
and recorded in Public Dep<sup>t</sup> G. O. N<sup>o</sup> 592 of  
the 25<sup>th</sup> idem that the Govt. of India are of  
opinion that the Women & Children's Hosp<sup>l</sup>:  
may be erected on the site proposed.

4. I request therefore the favor of  
definite orders being passed regarding  
the construction of a hospital for Women  
& children. If it be decided to adopt the  
suggestion of the Govt. of India, I request  
that the Public Works Dep<sup>t</sup> be directed to  
commence work at once, and funds  
allotted to meet the reductions made in  
the grant originally sanctioned for the  
work.
