30th August 1892.

Sir,

I have to thank the Government for the honor they have conferred upon me in appointing me Station Super to the Madras General Hospital, which appointment I have much pleasure in accepting provided I am certain of being confirmed in it by the Secretary of State for India.

I will endeavour to carry out all the conditions of the advertisement and do my utmost to fulfil all the duties connected with my position.

I am at present staying on sick leave with friends at Naini Tal. I only received your telegram forwarded to me by post from Quetta today. My 3 months' sick leave granted to me by Govt after I recovered from enteric, commenced on August 1st. If possible - I should like to begin my work at Madras on September 1st.

The other as did myself the benefit of a change.

after so serious an illness. If this arrangement is impossible kindly let me know at once the latest date at which I must be in Madras.

Will you please send me your rules as to "Morton's Duties". The first time you sent them I was too seriously ill to look them through. also kindly state the number of beds in the Hospital. I conclude that my travelling expenses will be paid for me. I shall also be obliged if you will let me know what leave I am entitled to yearly, and how long after my appointment may I expect leave to England.

As my six months notice has been cancelled and I consider myself no longer in the L. N. S. and if so, from what date.

I conclude I am still entitled to my three months sick pay from August 1st to October 31st. Will you kindly let me know what arrangements you have made with Government.

Yours faithfully
