ABSTRACT.—Passing orders regarding the instruction in Survey and Settlement work to be undergone by Junior Civilians.

ORDER—dated 28th January 1892, No. 66, Public.

In modification of the orders read above, the Government directs that the field training in Settlement hitherto undergone by Junior Civilians shall be no longer required. These officers will still, however, have to undergo practical training in Survey for a period of one month, and to pass the Higher Standard Examination in both Survey and Settlement.

2. This order will take effect immediately.

3. The Board of Revenue will be requested to submit revised draft rules to be substituted for section 34 of the Civil Service Manual.

Directing that the field training of — in Settle-
ment be discontinued.

My dear Sir:-

About Tala - I think you had better ask B. to send you up their list on my confidential asking B. to assist me in getting Tala to do work. In my letter and its enclosures you will see what I had to say & what Tala's explanation was. He has really explained all his delays - but has not explained his office resigning he has promised again to do this work at once -

As regards to revision of Village establishment which he has delayed

Carrying out, the P has adopted my
 proposal to deputise my special staff
 at Cuddalore to do it. Telling by
 Telling while I run to Talang. He
 was at about it in Villaputuram
 almost at once and I hope finally
 it is a month or so.

I wish for women after that
 arrangement under which my
 spiritual Cox. Francis just as he
 has become very useful in order to
 learn Settlements for 3 months, 3
 weeks women as enough. Looked
 think - There are fine of them
 now spending 3 months in this

My dear Galton

Yours of the 9th -

I only write to know
what you proposed doing about
H. Subhaya - At any rate I
could not have sent off both
Smith and Sopalanji Ayar
as Stokes proposed. - I shall
send Sopalanji Ayar off as

soon as the new headquarter
Deputy arrives.

God hunter is not available
as he is doing settlement
somewhere near Cochin - He
returns in March and then
I have promised Herbert to
send him to help in the
lab. Division - Otherwise I
shall probably have to
ask for a special Deputy

The Mr. Collector cannot
do all his reorganization of
village settlements ~~and~~
such and tour about on
familiar inspection duty as
Wynne had to do, - and the
wantons of work and
Kharani are crying out
for revisions - and Karur
shows symptoms of an in-
clination to follow suit. I
have said I will not listen

to any proposal for remission
but I expect a lot of
towing and reporting will
be necessary - and that takes
up more time than keeping
kitchens and relief work
going.

Yours sincerely
J. Church

P.S. - I am
afraid that the
bad weather in the
state of Cambodia
is supposed to be the
cause of much of the
many villages
with but two to three
crops being
on two bad seasons,
and I hope to hear the will
be left to me. J.

My dear Gallon,

Gopalrami Syen
is in last Gazette
and as no one is posted
in his place I presume
it is understood that
H. W. Maygar is ~~to be~~
1000.

But I understand that
Elbraygar is sick.

Stetter has telegraphed to
me to send Smith and
Spelmani over forthwith
I am telling Smith to
go at once but I
cannot let both officers
go with the uncertainty
about a new man.

Before coming, especially as I
have work in camp - If
Lt. Elbraygar gets sick
again, will you send a new
man or leave Spelmani
over? If a new man I
may remind you that the
Health Quarter inspection of
which is available on the
spot.

I am sorry you have

I have considered under-stand-
 that was the necessity for
 fixing so long a period
 of training in settlement
 on the whole would be enough
 to enable a DO for

I think it is sheer waste of time
 sending them young men for four
 months training in survey and
 settlement. They merely idle away
 their time and all the benefit they
 get out of it, if they get any, comes to
 be acquired in a fortnight; and as for the
 I would still require them to pursue
 their subjects, but I would reduce the
 time of training to one month for survey and
 the same for settlement.
