From,

THE CHIEF SECRETARY TO GOVERNMENT,

Judicial Department,

Sir,

With reference to G. O. dated 17 September 1891, No 1926, P. D., I have the honor to state that I see no reason why South Canara should be made an exception to the proposed general rule that Magisterial forms required for use in the Magisterial Courts should like Civil Procedure Forms be supplied by the Superintendent of Government Press at Madras. I have the honor accordingly to submit herewith an estimate of forms in English and in the vernacular (Canarese), required for use in the Magistrates' Courts in this District.

2. As it appears from G. O. dated 3rd August 1891, No 657, P. D., that Civil Procedure Code Forms only were printed in Madras and not all those required by the Civil Courts (some of which have been printed in the Collectorate Press), I have included in the present estimate only those forms

forms contained in schedule V of the Criminal
Procedure Code, omitting a few of which there
is at present a sufficient stock in hand.

5. I beg to be informed whether the
small number of forms in the vernacular
now indented for will be printed at
Madras, as otherwise I shall have
to get them struck off in the
Collectorate Press, here.

 D.M. - requested to

 proposal that all magis-
 terial forms should be

 Replies have been recd.
 and transferred to the

a few districts (S. Tanjore, Salem & Gajipur) have confined their estimates to the forms laid down in Section V of the Code of Criminal Procedure - they number 53 - and it is submitted for orders that the estimates of other districts should also be restricted to these 53 forms. To set up different forms for different districts wd: be neither economical nor convenient, type wd: be locked up and the difficulties of distribution would be enhanced. If, on the other hand, ^{only} the forms which are in use in all districts were turned out by the press it seems probable that economy and quick supply wd: result. As the forms ^{of the C.C.P.} are already laid down it wd: be simple for the Supt: of the Press to estimate cost of supply if the district estimates were drawn up in the following form:-

Read the following file of Currents

No 668 of 12/4/92

The object with which estimates were called for in G.O. dated 17 Sep. 1891, No 1926, Judicial, was to ascertain whether economy could be effected by having Magisterial forms in general use printed at the Govt Press, Madras. The principal forms are those laid down in the Code of Criminal Procedure. It has however been found impossible to extract them from the estimates submitted by District Magistrates on account of the designation and number of the forms laid down in the Code having in some cases been departed from.

2 In order that the papers may be placed before the Superintendent, Govt Press, for an estimate of the cost of supplying the forms, District Magistrates are requested to submit without delay the following:-

1. An estimate of the number of Criminal Procedure Code forms required annually, both in English and the Vernacular (to be stated). The forms should be designated

and numbered consecutively as laid down in Schedule V of the Code.

(ii) An estimate of the Annual Supply required of other Magisterial forms in use in the District, accompanied by a specimen copy of each and information in regard to the Authority for the use of each.

(iii) a list of any of the forms included in the estimates which are at present printed at the Govt Press, Madras.

3. The enclosures ~~are~~ received are returned herewith.
