The G.O.s quoted are in
the file of printed orders.

Note for the Hon: Mr.
Garstin. C.S.V.

In G.O. of 1.12.82, at
1357 Rev. officers were
directed to declare annually
"that no land is held for
them by anyone else".
Form of return of land &
shares held was laid down
in G.O. of 22.2.84, at 2257
and the form for "nil"
return was fixed in
G.O. of 14.10.85, at 2437 Pub.
In G.O. of 10.11.86, at 2300
Pub. it was directed that
the declaration referred
to above should be made
by every officer even in
the case of "nil" return.
By far the larger number
of officers submitting re-
turns do so to the Secy
of Revenue in accordance
with G.O. of 26.2.85, at 2257.
It is for the Board to see
that the required decla-
ration is made by the

Considerable difficulty is experienced in getting officers to submit even incorrect returns; and repeated reminders have to issue. The file for 1891 is now under disposal and is submitted to the Honble Member herewith. The returns are due on the 15th January following the year to which they relate (f.o.d/26.2.85, c/o 501 Pub) but they are never complete until the 1st Sep, and then only after considerable trouble.

It is proposed to call the attention of all officers to the matter again in this year's order - and to reprint for their information the forms and declarations. There is no objection to manuscript forms being submitted.

In regard to Mr. Grigg's tea, attention is invited to para: 8 of f.o.d/8.12.87, 10.16.32 Pub.

Mr. Hall is I know going to build a house for himself. He has already begun to build a house at Kodai. He will have the intention of living in it. He is with his family. He has no intention of building a house for himself. He has no intention of building a house for himself. He has no intention of building a house for himself.

Land Returns 1891

These returns are only just complete.

The majority are "nil" returns - only a few call for remarks. Current 1286. Mr. Hall

owns 28 acres at Kodai for house sites - house not yet built. Some (Eucalypti) planted. wording of the receipt in para: 2 of f.o.d/11.13.80 is "the plot does not extend to the occupied area." It is not occupied merely by the house for residence. Their usual appearance is "a piece of land." It is not that the intention of an officer in building a house for himself is to invest in house property to rent to others.

Weld's 28 acres are house sites. The objection appears to be objected Current 191. Mr. O'Connell

purchase of land. Kodai was declared objectionable in f.o.d/27.11.90, c/o 515. Current 446. Mr. Sparshott

to the returns being submitted in
manuscript. It is not necessary for an
officer to state the number and value
of shares he holds in any registered
company nor need he make return in

connection with any company which does
not carry on operations in this Presi
day, with reference to para 3 of G.O.

14th February 1885, No 501, the Board
of Revenue will be requested to insist
in all cases on correctly prepared
returns being submitted to it.

Mr. Weld reports that he owns
1/2 acre of land at Kodalkanal which
he is going to utilise for house site.
The exception in para 3 of G.O. d/ 14th
Feb 1885, No 501, in favour of land
occupied by a residence and its usual
appurtenances, and does not cover that
attached to several houses. Mr Weld will
report what his intentions are in refer-
ence to the land he holds.

Mr. G.E.L. Campbell will submit
a correctly prepared return for 1891
with the usual declaration, and Mr.
Grigg will, on return from Turle, be
called upon to do the same.

The other returns do not call
for any remark.
