2 large Durbar gilt sofas.

For Orders

The chairs we are certainly shabby.  
They were last done up - sounds  
only partially in 1889 and there  
are certainly marks in a few con-  
dition for the coming generation.  
Part of the 34 chairs will have  
required to seat the members  
of the order and it is as well  
to have the whole fleet in  
a proper state now.

The ~~estimated~~ <sup>estimated</sup> ~~figure~~ <sup>figure</sup> mentioned  
is a large one but the work  
to be done is extensive. I  
have urged the M. S. to keep  
the charges as low as possible.  
Submitted that the outlay  
may be sanctioned. It is  
as well as the necessary work  
take place that everything  
should be in proper order.

20 Recd. The skins <sup>17</sup> July -  
are not worth it. However -  
they should be put in order, I suppose  
The summer is taking place after released  
V. No. will be comparatively trifling business  
than other seasons with our business. V. 1894
