[The advance may be allowed
but] The Military Secretary to H.E.
the Governor ^{with, be requested to} submit an
estimate of the charges, showing
the nature of them, which it is
deemed should be public charges.
They will now apparently
fall upon Provincial funds.
In 1884 & 1886 when large charges
were incurred on similar occasions
the Revd Political to which
they were charged was an In-
perial one. Since then it has
been provincialized. I cannot
imagine in what way Rs 5000
is going to be spent, in excess of
what should legitimately be
charged to the Contract allowance]
