recting the apparatus
to prepare the plan
estimate*

Public Dept.

Current 2705.

The proposal apparently is to have cutcha walls and a pucha roof. This would probably look peculiar. If an estimate is to be called for it is subd. that P.W. D. may be asked what would be the cost of building two small bungalows in lieu of the three sheds.

The sheds are built of temporary materials in view to their complete removal when no longer required; but if they will always be required it might be cheaper in the long run - & certainly more in keeping with the surroundings - to construct permanent accommodation at once.

For orders.

J.B.B.

14/10

As I understand the matter the sheds consist at present of a frame with iron standards the walls being of bamboo thatching and the roof of thatch. It is proposed to replace

The thatch with tiles - continuing
to see the bamboo thatching walls
which are probably very much
better from the medical point
of view, as walls, than either kutcha
or pucca built ones would
be.

There seems to be no objection
to the proposal made

Genl. Hospital, Madras.

Building of thatched sheds.

From

General Hospital
Madras, 19th September 92

The Senior Medl. Officer
General Hospital,

To

Madras.

The Secy, Surgeon General
with the Govt. of Madras.

Sir,

I have the honor to request that
you will be good enough to obtain the sanction
of Government to have an estimate made
for the repair of ^{the} three surgical sheds, the
roofing to be done with the Mangalore
tiles in lieu of the present thatch.

2. These sheds are, and will continue to
be, indispensable, even after all the
additions have been made.

3. At present they are thatched, the
thatch requires constant repair and is
dangerous in case of fire, especially
to bed-ridden patients.

4. The present iron pillars can be utilized,
even if the side walls are raised, by
standing them on small masonry
pillars.

5. I have

I forward letter no. 465 from
14.9.92
the Officer in charge South Sub Division
with remarks of staff for information
and favor of return.

No. 662

OFFICE OF SURGEON-GENERAL
WITH THE GOVERNMENT OF MADRAS
Madras, 10 October 1892.

From Surgeon Major Genl. W. F. de Fabeck, M.D.
~~The~~ SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

The Chief SECRETARY TO GOVERNMENT,
Public DEPARTMENT,

SIR,

I have the honor to forward
copies of letter from the Senior Medical
Officer General Hospital and its
enclosure and to request that
under the circumstances men-
tioned therein the Public Works
Department may be directed to pre-
pare a plan and estimate for the
repair of the three surgical
sheds referred to. These sheds
are used for venereal and
suppurating cases and the Hospital
can never be without them, the
expense of constantly patching them
up is much greater than the construc-
tion of a proper roof. They will of
course ^{be} maintained after all the
additionals to the General Hospital
have been made.

I have the honor to be,

Sir,

Your most obedient Servant,

W. F. de Fabeck M.D.
Surgeon General with the Govt. of Madras

From *S. M. Gird. W. F. de Fabeck*
 THE SURGEON-GENERAL WITH THE
 GOVERNMENT OF MADRAS,
 Madras.

No. *662*

Dated *10* *Sept 1892*
 Received *21*
 Encs: *2*

No.

SUBJECT.

Requesting that the
 P.W. Department may be
 directed to prepare a plan
 and estimate for the repair
 of the three surgical
 sheds of the General Hospital
 the repairs of which should be done
 with immediate effect.

WITH ORDER

order, 20th Oct 1921 No. 125.
 approved. ~~and~~
 2. ~~forwarded to~~ The Public
 Works Department will
 be requested to prepare
 the required plan & estimate.
