OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Madras, 18 October 1892.

From

Surgeon Major Genl. W. F. de Salazar M.D.
THE SURGEON-GENERAL WITH THE
GOVERNMENT OF MADRAS,

MADRAS,

To

THE

Chief Secretary to Government,
Public Department.

SIR,

I have the honor to request the favor of early Orders of Government as to whether the statistical tables to be appended to the skeleton report on civil hospitals and dispensaries for 1892 should contain only the total statistics of the Districts as per G.O. No. 254 A dated 30th March 1891 or the details for each Dispensary.

2. I am strongly of opinion that the statistics of the individual hospitals should as previously done be incorporated and shown separately in the report, as the total figures for a District do not permit of any comparison being made of the work done in one District with another, and the extra cost of printing is also nominal.

3. As regards the question of labor the new system does not in any way reduce the work in this Office as a record showing the working of each hospital separately must necessarily be maintained to compile the statistics of each District.

I have the honour to be,

Sir,

Your most obedient Servant,

Surgeon-General with the Govt. of Madras.
