[Despatch Abstract.]

Directing that the list of Architecture
+ Archaeological remains in Coorg com-
piled by the Suptt. Archaeological Survey,
Madras be forwarded to the Chief Commr.
of Coorg; approving the Suptt's proposal
to spend a month in Coorg and remitting
to the Chief Commr. the question of his tra-
velling allowance.

Madras, 24 October 1892
 CURRENT NO. 288
 No. 389.

From
 A. Rea, Esquire, M. R. A. S.,
 Superintendent,
 Archaeological Survey, Madras.

To
 The Chief Secretary
 to the Government of
 Fort Saint George.

Sir,
 I have the honour to submit the Lists
 of Antiquities in Coorg prepared from the
 vernacular lists sent to me with G.Os
 dated 2nd and 11th April 1892, Nos
 224 and 249, Public.

2 - The bulk of the translation work
 has been done by my Clerk. A number
 of the lists were written somewhat
 illegibly, and some difficulty was experi-
 -enced in rendering them into English. Others
 about which there was some doubt, were
 translated by the Kanarese Translator.

3 - The enclosure to G.O., dated 21st
 March 1892 No 184.P. mentions that the
 1st December to 1st June is the most suita-
 -ble time to visit Coorg. The period that

the middle of March 1893, after I have finished my excavation work in the Godavari district. I would propose to undertake a tour to cover as much ground as possible during a month from that date.

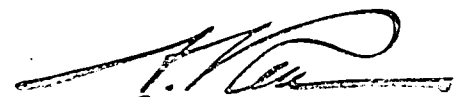

4 - Owing to the hilly nature of the country, any programme I could at present make, would be liable to considerable alterations when it came to be carried out, and I think it would be best to consult the Superintendent of Coorg at the beginning of the tour.

5 - As the tour is undertaken under orders of the Government of India vide Reference in the Public Department No. 3200 of 1891, dated 2/12/91 7th November 1891, - with a view to the Conservation of any noteworthy or characteristic monuments, I would request orders as to the grant to which the charges in connection with travelling and carriage of office baggage should be made. As the province is outside the limits of the Madras Presidency, perhaps it may be proposed to meet them from Imperial funds; but if not, they could be charged to the item I have entered in the conservation budget for

conservation, if it is sanctioned by Government.

I have the honour to be Sir,

Your most obedient servant,

Superintendent.
