(From Order)

Submitted to the Governor as the
Hon'ble Mr. Garstin has objected to a
portion of the draft which has been
passed by the Hon'ble Sir R. Stokes.
The reason why Mr. Mir Shujaat Ali
Khan's 3rd question was not replied
to by a simple affirmative was
that there is the proviso that he
shall be fit and competent and
it was thought desirable to avoid
any misapprehension
to quote the words of the G.O.
which are clear and unmistakable

ORDER. 25th Aug 92 K-016

In the first of the questions in Mr. Mir Shujaat Ali's letter read above he asks for a distinct pledge from Government that he will receive special promotion-H.E. the Governor in Council is unable to ^{give any such assurance} ~~comply with this request.~~

2. The reply to Mr. Mir Shujaat Ali's second question is that, should he elect to join the Provincial Service, he would be allotted one of the four posts of Dy. Magistrate and Collector in the third grade on Rs. 500, referred to in para 6 of Home Department Resolution d/21st April 1892, No. 9-1342-52-Public.

3. Mr. Mir Shujaat Ali's third and fourth questions are answered by the following extracts from Home Department letters d/8th August 1890 No. 1543 Public & d/27th May 1892 No. 1535 Public, respectively, which have already been furnished to him—

(I) "If on the other hand they (Statutory Civilians) join the Provincial Service their claims will be preferred to those of F.G. (Provincial Officers)

him to misconduct himself - would act as a bar to his promotion. A simple affirmative might lead to some difficulty in the future - by tying the hands of Govt. in the event of his going wrong. 19 Nov.

Note. It is submitted that, whatever the decision of other Statutories may be, Mr. Mir Shujaat Ali would get one of the four Deputy Collectorships on Rs. 500. declared open to the Provincial Service (vide page 3 of G.O. d/24.8.92 No. 582 Public). He is already a confirmed Head Assistant & there are 4 posts in the 3rd grade of Dy. Magistrate corresponding to Head Assistant open to the Provincial Service. There are only two other Statutories who are confirmed Head Assistants.

I don't approve para 3 of the Draft - this is Ali's 8th question. He is asked in question 3 to join the Provincial Service & to his 4th he asks to be told no answer is required in view of the answer to No. 3.

I think para 3 is all right. It is virtually in the affirmative, but makes his position quite clear. There is a proviso in it, viz. - supposing

FOR ORDERS.

Mr. Mir Shujaat Ali Khan is not prepared, even now, to make a choice between the Statutory and Provincial services without further "definite information".

2. In the first of his questions he asks for a distinct pledge from Govt. that he will receive special promotion. Orders are solicited as to the answer he should be given.

3. The reply to his second question appears to be that he will, under present circumstances, be a Dy. Coll. 3^d grade (pay Rs 500). vide para 6 of India's resolution in L.O. of 18. May 1892 No. 342 Public.

4. The reply to his third question is contained in the passages marked with blue pencil on pages 2 & 5 of L.O. of 24. August 1892 No. 583 Public.

5. The fourth question requires no answer.

6. The reply to the fifth question is that if until promoted, his pay will remain the same as it now is.

No such pledge should be given
W. M.S.

I suppose so, if the two Statutories
senior to him join the P.S.
But if they don't, what will
his pay be? He is asking
for a definite answer.

The answer is, I presume, he
is in the affirmative.
W. M.S.

which can only be to a limited extent
on the grounds of special merit
ability

Fifthly - If I elect to remain what

But as the orders about the Provincial Service had just then been out, I did not consider it right to press my second request on the attention of the Govt before it had had sufficient time to consider the new Provincial Service scheme. I submit, however, that the time has now arrived, when, without seeming to pre-empt the decision of the Government, I may pray that my second request may be graciously considered. I beg you, therefore, that you will kindly furnish me with definite information

in which I prayed for the restoration of the old rule of promotion - counting the service from the date of admission - or in the alternative for a special promotion under Paragraph 21 of the Despatch of the Secretary of State for India dated 12 September 1889 and of the reply of the Government contained
