NOTE FOR THE CHIEF SECRETARY.

P.W.D

Will you please let me know if
the monthly scavenging fees for
this building should not be
paid by the D.P.W. The sepoys use
the latrines as well as the office
servants and it seems doubtful
whether our contingencies should
bear the charge.

There is, I think, an
order of Govt. specially
placing these buildings
under the charges of the
Chief Engr. All expenses

 this folly. The
 scavengers & the water-
 men these are placed
 directly under the orders
 of the Subdivisional
 officer & paid by
 him.

These are, I think, for other
lines.

I put up the 40 sanctioning
entertainment of the first
watchman: I can't say
that I recollect anything
regarding scavenging fees
beyond that the Corporation
monthly presents a bill
(Rs 10) for such & which
we pay so long as the
foot is on the bill. //

My dear Mr. Bennett.

Shortly before we left
Colacamaud a bill for
scavenging fees was
presented at the office.
Can you please let me
know on account of
what buildings these
fees were claimed. I
believe there are two
latrines one near the
Sulabai ^{Latrine} battery & the
other near the Peon's
series. Is it for both
of these or for only one.
I ask the question
as the point has been
raised as to whether
we or Public Works
pay & Mr. Pringle
wishes to know exactly
how the case stands.

Any information
you can give me on
the point will be

very welcome

The Latrine Bills which
 were presented were for the
 Latrines attached to the
 offices at Stone House, and
 to Crew Hall.

I have reduced both bills
 from 3 to 2 months & the
 fees from \$18 to \$12 &
 \$9 to \$6.

The amount due now
 is \$12 & \$6 or together
 \$18 (eighteen), which I
 will thank you to
 remit.

Yours Sincerely.

The Secretariat buildings at Astacumund were, with the Clerk's quarters, specially placed under the charge of the Chief Engineer by L.O. 1614 of 18 June 87. And the Conservancy Charges should, I think, now. They would be met by the Executive Engineer from the repair grants for the building. I think this is done now in the case of the Clerk's quarters.

The Watchman should also be paid by the P.W. Dept. in reference to para 67, ^{chap. VII} of the P.W. Code, & be placed under the orders of the Subdivisional officer. You will see from Public Dept. L.O. 2469 of 23. x. 85 that this watchman was engaged on my recommendation when in the Chief Secretariat, and that I then proposed that he should be under the Chief Assistant's orders while the buildings were in occupation. The proposal was right enough to the time, but L.O. 1614

¹⁰
quoted above has altered
the circumstances, and
Waldman should, I think
have been formally trans-
ferred to the P.W.D. with
reference to that order.
