MADRAS, WITH THE GOVERNMENT OF MADRAS,
~~Fort St. George,~~ 5 November 1892

No. 721

From Surgeon Major Genl. W. F. de Fabeck M.D.
THE SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

~~Fort St. George,~~

To

THE Chief Secy. to Government
Public Department,

Sir,

With reference to G. O. No. 532 Public dated the 1st August 1892, I have the honor to state that Surgeon Lt. Col. W. Price, Senior Medical Officer General Hospital Madras has applied for 3 months privilege leave to study.

2. This Officer is so much overworked both at the Hospital, and at the Medical College of which he is Principal; that he can scarcely find time to devote to the study of Vernaculars. As the session at the College has just been opened and there is much and important work to be done at the Hospital it will be impossible to grant him leave except at the risk of great loss of efficiency.

3. Surgeon Lt. Col. Price has 23 years service in the Department of which he has spent a considerable portion as District

District Medical Officer and has throughout performed his duties with marked ability, assiduity and great success. No complaint as regards want of ~~his~~ linguistic attainment has ever been made. With these important facts in his favor, I venture to express a hope that Government will be pleased to exempt him from passing ^{in the} Vernaculars at this advanced stage of his service.

4. The Order of 1874 was, if I correctly understand, intended for young Officers who were about to join the Civil Department, and who early in their service, had time on their hands to qualify in the Vernaculars, but I am not aware if its provisions equally apply to tested and experienced men in the Civil Department, whose approved service as District Medical Officers for several years is in itself a proof of their fitness for their appointments.

5. I may state that under similar circumstances several Senior Officers in Burma were exempted in 1881 from passing

This is true but it
excuse for the
having exempted
for this case
on this point
C.S.

in the Vernaculars, and I am sure Government will keep this precedent in view when disposing of my present recommendation on behalf of Dr. Price - Especially as in the ordinary course of events there is no probability of that Officer ever reverting to a District appointment.

I have the honor to be,
Sir,

Your most obedient servant.
