The list of persons licensed under the Indian Christian Marriage Act, corrected up to the end of the year 1891–92 in accordance with the information furnished in the foregoing papers, will be circulated to the Resident in Travancore and Cochin and to all District Magistrates, for communication to the Marriage Registrars within their districts, as well as to the various Missionary Societies.

Order—dated 9th February 1895, No. 104, Public.

The list of persons licensed under the Indian Christian Marriage Act corrected up to the end of the year 1893–94 according to the information afforded in the foregoing papers will be circulated to the Resident in Travancore and Cochin and to all District Magistrates for communication to the Marriage Registrars within their districts as well as to the various Missionary Societies.

2. The Government again regrets to observe that the majority of these returns were received after the prescribed date (1st October).

3. Licenses which have become inoperative by reason of the death of the parties to whom they were issued, or from other causes, should be returned to Government. The Secretaries to Missionary Societies will be requested to see that this is done in future through District Magistrates.

4. The Government observes certain discrepancies between the returns submitted by District Magistrates and those received from the several missionary bodies. Sir,

In reply to the G. O., dated 9th February 1895, No 104, I have the honour to state that in the Danish Mission no changes have taken place during the last year in the number of persons licensed under the Indian Christian Marriage Act. After the end of the year 1894-95 Rev M. Andersen, Danish Missionary at Yercaud, has left India for Europe on furlough. He left India in May and will be back in October this year.

I remain, Sir,
Yours obedient Servant

PUBLIC DEPARTMENT.

READ—file of returns of persons licensed under the Indian Christian Marriage Act, XV of 1872.

ER—dated 9th February 1895, No. 104, Public.

The list of persons licensed under the Indian Christian Marriage Act corrected
o the end of the year 1893–94 according to the information afforded in the fore-
g papers will be circulated to the Resident in Travancore and Cochin and to all
strict Magistrates for communication to the Marriage Registrars within their
istricts as well as to the various Missionary Societies.

2. The Government again regrets to observe that the majority of these returns were received after the prescribed date (1st October).

3. Licenses which have become inoperative by reason of the death of the parties to whom they were issued, or from other causes, should be returned to Government. The Secretaries to Missionary Societies will be requested to see that this is done in future through District Magistrates.

4. The Government observes certain discrepancies between the returns submitted by District Magistrates and those received from the several missionary bodies. To avoid these, the Secretaries of Missionary Societies, with the exception of those at Madras, will be requested to forward in future their annual returns to the District Magistrates who will duly check them and submit a consolidated return to Government.
