From

Dr E. Hultzsch,
Government Epigraphist,

To

The Chief Secretary to Government,
Madras.

Sir,

In continuation of my letter No. 283, dated the 20th ultimo, I have the honour to submit a copy of a short letter from the Rev. Fr. Kittel, Mercara, from which it appears that there are some ancient inscriptions in North Coorg, and two or three in South Coorg. Mr. Kittel does not mention the exact localities where these inscriptions are found. I shall address him and Mr. G. Haller on the subject, and prepare impressions of the inscriptions in January 1892.

I have the honour to be, Sir,
Your most obedient servant
E. Hultzsch
Epigraphist.

Camp Tanjore,
9th December 1891.

From the Rev. F. Kittel to Dr. E. Hultsch, dated
Merrara, 4th December 1891.

Sir, With regard to your inquiry about the
antiquities in Coorg I have the honour to state
that there are no interesting remains of ancient
buildings in this country. There are, however, some
very valuable, as yet unpublished inscriptions in the
North of which I possess rough cloth impressions made
by my late Munshi, and two or three others in the
South as I have been assured by G. Haller Esq.,
Assistant Superintendent, Revenue Survey. Copies
of the mentioned inscriptions should be carefully taken
as soon as possible.

I have the honour to be
Your most obedient servant

(Signed) F. Kittel
