Sir,

In returning the
papers forwarded to me for
opinion under your order-
ment, No. 12863, of the 10th
Instant, I have the honour
to inform you that I agree
with the Professor of Surgery,
Medical College, that a fee
of Rupees 50 should be
charged for the course of
Operative Surgery.

2. May, however, remark, that para iii of the Government of India letter, embodied in G.O. No 5453, Military, of 2nd October 1891, is rather vague. There is nothing to show to whom the fee should be paid, and by whom refunded afterwards.

3. I am of opinion that the Professor in charge of the class who grants the certificate is entitled to the fee for the new & extra duties imposed on him; and should Government consider it necessary, that the Medical Officer who obtains the

Certificate should get back the money paid by him, in the shape of fees; he should obtain it from Government; as, the law, is the practice in respect of Munsli allowance.

drafted the up's was not
aware of the existence
of G.O. 92 of 29.1.91, as it
was not put up by the

It will be seen that in
the earlier case the Educl.

fees that officer has already
recommended that officers of
the Medical Staff should
be treated as casual students

-ingly - viz: Rs. 30/- for a
winter course and Rs. 20/-
for a summer course -
and India was informed of this,
but now he agrees to a fee
of Rs. 50/- for a course of
operative Surgery - and
does not refer to his
previous recommendation.

Govt: in the Educl.

"the fee proposed (Rs. 50/-)
seems suitable" - but its
final adoption has not
been directed.

as the matter rests
entirely with the Local

It was intended to
adopt it. U.S.

Govt: orders are request-
ed as to which of the
two fees (Rs. 30 & Rs. 20 or
Rs. 50) is to be sanctioned;

to be the Professor's per-

be informed that officers
